Materials:

- 250-300 yards worsted weight yarn used in the scarf shown. However you can use any weight yarn.
- Hairpin Lace Loom – if you don't have one, check out the video for an idea of how to make your own. Set the loom for about 2.5" between prongs.
- Size H (5mm) crochet hook or equivalent hook for your size of yarn.
- Scissors

Terms:

- CH = Chain
- SC = Single Crochet

American English Crochet Terms

1. Watch my 8-minute video on YouTube. Hairpin lace is difficult to explain in writing 😊
2. Make a slipknot. Insert loop on hairpin loom.
3. Wrap yarn around other prong, then chain one in slipknot loop.
4. Wrap yarn around other prong, then single crochet in next loop.
5. Wrap yarn around other prong and repeat around, making 1 single crochet in each loop.
6. Make 150-200 loops on each prong. This means 150 loops on the right prong and 150 loops on the left prong, for a grand total of 300 loops.
7. Make 4 or 5 hairpin strips. You can make more or less strips if desired.
8. Join loops.
9. Add fringe/tassel at the edge to conceal ends.
