Look for the video “Crochet Heart Jewelry”

### Materials:

- 2-3 skeins of embroidery floss
- Size B (2.25mm) crochet hook
- Sewing needle, scissors
- Pre-made jewelry chain. I like the ones from Beadalon®.
- 2 Lobster clasps or other necklace or bracelet closures.
- Optional jump rings to connect hearts.

*American English Crochet Terms*

### Crochet Heart:

With 1 skein of the embroidery floss (use like yarn, do not separate the strands), and a B size hook (2.25mm):

- Chain 3
- Insert hook into the 3<sup>rd</sup> chain from the hook and do 5 double crochet stitches.
- Do 1 treble (triple) crochet stitch into the same chain.
- Do 5 double crochet stitches in the same chain.
- Chain 2
- Slip stitch into the same chain.
- Weave in your ends and cut your floss.

### Necklace:

- Using either jump rings or links from the pre-made jewelry chain, connect the hearts to each other and/or to the chain in any configuration you wish. See the video for a step-by-step on this.
- Connect the chain to a lobster clasp. The video helps with this step.

### Bracelet:

- Using either jump rings or links from the pre-made jewelry chain, connect the hearts to each other. See the video for a step-by-step on this.
- Connect the jump rings or links from the pre-made jewelry chain to a lobster clasp. The video helps with this step.
