Here's an easy spring flower to crochet. It has 6 puff flower petals that give it a 3D effect. It's a simple and fast crochet pattern to make. You can use these flowers on a hat, scarf, shawl, bag, and especially in your hair. Check out the how-to video on the Naztazia YouTube channel here: <https://youtube.com/naztazia> And feel free to Pin photos or check out other info at: <https://naztazia.com>
