The crochet towel toppers with hidden ring pattern makes for a nice kitchen accessory. You can easily remove the kitchen towel to wash it because of the hidden ring underneath the topper part. Everything is constructed in one piece starting from the hanging part all the way down to the shell border. These also do very well for craft fairs and bazaars! Check out the how-to video on the Naztazia YouTube channel here: https://youtube.com/naztazia And feel free to Pin photos or check out other info at: https://naztazia.com
