This cross over stitch pattern is one of the nicest textured crochet stitches. It works up fast and is easy to make. Check out the how-to video on the Naztazia YouTube channel here: <https://youtube.com/naztazia> And feel free to Pin photos or check out other info at: <https://naztazia.com>

## Terminology:

CH = Chain

## Instructions:

Watch the YouTube tutorial video here: <https://youtube.com/naztazia> Look for “Crochet Cross Over Stitch.”

Note: You can change the look of the stitch by adjusting the size of the long double crochet. If you pull up the yarn significantly, the three double crochet stitches will be held together loosely.
