### Guidelines for mosaic crochet:

- 1) The chart's stitches can be read from right to left for right-handed crocheters or left to right for left-handed crocheters.
- 2) Read the chart starting from the bottom and work your way upwards.
- 3) Each block counts as 1 stitch across and 2 rows (upwards).
- 4) Carry the yarn up along the sides.
- 5) If the yarn color and block color are the same, make a single crochet.
