Instructions:

Watch the YouTube tutorial video here: <https://youtube.com/naztazia> Look for "Crochet Winter Hat Pattern."

This sample is for an average women's size hat. Other sizes are listed below this main section of the pattern.

CH 41.

ROW 1: SC in each CH across, marking SC #12. CH 1, turn.

ROW 2: RPT [Skip 1 ST, 2 SC in next ST] across until right before ST marker. For remaining 12 STs, SC in back loops, replacing ST marker. CH 1, turn.
ROW 3: SC (back loops) in first 12 STs. Replace ST marker. For remaining STs, RPT [Skip 1 ST, 2 SC in next ST] across. CH 1, turn.

Measure work. Width of row should be 12 inches. Adjust as necessary to achieve this measurement.

RPT ROWs 2 & 3 for 66 rows or until measurement is 19-20 inches. This should then stretch to 22".

Fasten off, leaving a 12" tail end for sewing. With brim part facing the bottom, fold hat in half and seam the two sides together. Fasten off and weave in the ends.

With 2 strands of yarn and a yarn needle, cinch the top part of the hat, weaving in and out every 4 rows (to avoid a gap). Tie and knot securely, then weave in ends inside the hat.

Sew on a pompom if desired. Fasten off and weave in any remaining ends.
