Crochet Fingerless Gloves are easy to make using the moss stitch. These are great when playing on your phone outdoors in the cold! ### Terminology:

CH = Chain	RPT = Repeat	SC = Single Crochet
SLST = Slip Stitch	SP = Space	ST = Stitch

### Size/Gauge:

Sample shown is for an average adult hand. Changes for child and larger adult hands are included. 18 STs & 17 ROWs = 4" SQ.

### Materials:

90 yds worsted weight yarn. Sample used Lion Brand Heartland in the color White Sands. Size F 3.75 (or G 4 mm) crochet hook. Measuring tape. Yarn sewing needle. Scissors. Several stitch markers.

### Instructions:

The width of the ROWs ends up as the up and down length of the final gloves. The number of ROWs made ends up as the circumference around the hand by the knuckles section.

### Make 2 Fingerless Gloves:

CH 34 (or any multiple of 2). A longer starting tail end such as 9 inches will help with sewing the thumb section. Or you can use a separate yarn strand later.

ROW 1: SC in 4<sup>th</sup> CH from hook. RPT [CH 1, Skip 1 CH, SC in next CH] across. Turn.

ROW 2: CH 2. Skip first ST and SC in previous CH-1 SP. RPT [CH 1, SC in next CH-1 SP] across, ending with a SC in the previous CH-2 turning CH. Turn.

RPT ROW 2 for 28 ROWs or 6.5 inches. Test on one hand.

Pivot the work so the width of the ROWs is now facing vertically up and down. And the number of ROWs is facing horizontally left to right. Fold the piece in half. Add or subtract ROWs if needed. If not, use stitch markers to mark the thumb opening. Fasten off the last ROW, leaving a longer tail end if desired for sewing. Sew the top and bottom section of the glove, leaving the opening for the thumb. Fasten off and weave in all ends.

### **CHANGES FOR OTHER SIZES:**

CHILD (6-11 YRS): CH 27. Make 22 ROWs.

ADULT - LARGE: CH 41. Make 34 ROWs.
