Terminology:

CH = Chain

SC = Single Crochet

SLST = Slip Stitch

SP = Space

ST = Stitch

RPT = Repeat

Size/Gauge:

About 6.5 inches in height to fit a standard candy cane. Gauge is not important.

Materials:

Less than 20 yds worsted weight yarn. Size F 3.75 mm crochet hook. Scissors, yarn needle. One 6-inch candy cane. Optional button or bow.

Instructions:

CH 38 or any even # to fit around shape of candy cane. For my sample, I measure the chain around the entire candy cane shape and suggest 2 chains extra on the longer end of the candy cane and 2 chains extra on the shorter end.

ROW 1: SC in 2nd CH from hook. RPT [CH 2. Skip 1 CH, SC in next CH] across. CH 1. Along the side of last SC, (SC, CH 3, SC). Pivot to work along original starting CH.

ROW 2: In each SP, (SC, CH 3, SC) across. Along the side of first SC from ROW 1, (SC, CH 3, SC). Fasten off and weave in ends.

Using the spaces from ROW 1, weave the candy cane in and out. Add a button or bow if desired.
